PROPERTY SUMMARY

Prime Agricultural Land in Growing St. Lucie County – 79.5 Acres

Presenting 79.5 acres of prime agricultural land on Minute Maid Road, just off Orange Avenue in St. Lucie County, Florida. Zoned Ag-1, this expansive property is currently utilized as cattle pasture and is nestled among established sod and citrus farms, showcasing the area's productive agricultural landscape.

With St. Lucie County undergoing significant development, this parcel offers an ideal blend of current agricultural use and future growth potential. Whether for continued farming, land banking, or future agribusiness ventures, this property is a valuable asset in a region on the rise. Embrace the opportunity to invest in one of Florida's rapidly growing areas while contributing to its agricultural heritage.
